## Abandoned items around nyc

For this project I want to collect photos of abandoned items/trash around new york to see how often this item is discarded or if it is more of a rare find.

# Rules

- All images must be suitable to fulling  
be cut out on their own
- Cant just be uninteresting trash// it  
has to work well in a collection
- Some finds have to be out of the  
ordinary

# Filtering methods

Age- flattened trash (old) , newer//freshly thrown away

Rarity- common trash, odd find,

Material- glass , plastic, paper, ect

Date found – like a trash diary
